Clio Moon, Graceland Poet, Dies

A chapter of Graceland University history closed with the death of Cleo M. Hanthorne Moon, former Graceland librarian, teacher and poet laureate. Mrs. Moon, 96, died Tuesday, July 25, in the Lamoni Nursing and Rehab Center. She had spent most of her career at Graceland, retiring as professor emerita in 1969.

"Cleo was a treasure not just of Graceland and Lamoni, but of all Iowa," said the university president Dr. David Clinefelter. "We all loved her. Her poetry has been used many times to express Graceland's uniqueness. She will not be forgotten."

Among her poems that have been frequently quoted among Graceland alumni through the years is "They Who Build." Dr. Clinefelter selected to read the poem at a ceremony held earlier this summer to denote Graceland's change from college to university.

Mrs. Moon set several of her poems to music as hymns for the RLDS Church. She also wrote hymns, many of them now included in the RLDS "Hymns of the Saints". Graceland published two of her books, one of poetry entitled "The Bell Tower's Eye" (1943) and the other "Graceland Firsts" (1946). Many of her poems were included in the university's 1995 book "Threads of Blue and Gold: Poems from the First Century of Graceland College".

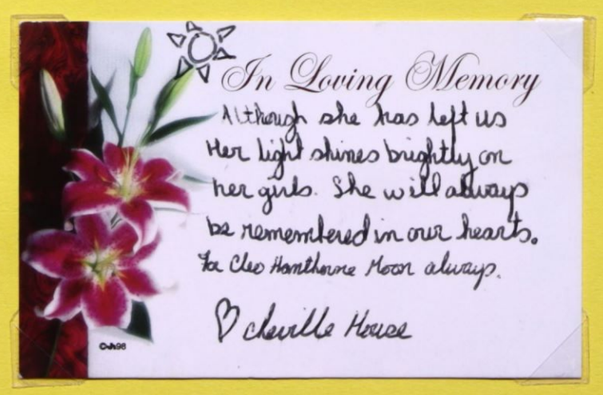
Mrs. Moon was born February 19, 1904, in Eagle City, Oklahoma. She earned a bachelor's degree in English at the Oklahoma College for Women at Chickasha, and a master's degree at the University of Oklahoma, Norman. Later, Mrs. Moon completed a bachelor of science degree in library science at Columbia University, New York City.

Mrs. Moon then moved to Lamoni in 1930 to teach at the high school. Five years later, she became the head librarian at Graceland. She held this position for 23 years before leaving in 1945 soon after her marriage to Willard Moon. She operated a pottery business and sold parakeets during that time. She returned to Graceland in 1956 to work as a cataloger at the library and to teach creative writing.

During her career at Graceland, Mrs. Moon also sponsored the campus yearbook and student newspaper. Hanthorne House, a Graceland residence hall, was named in her honor.

Mrs. Moon is survived by Willard's daughter, Sadi Negaard, three grandchildren, one great-grandchild, two nephews, a niece and one great-great-niece.

Funeral services were held Saturday at the Slade-O'Donnell Funeral home in Lamoni. Burial was in Rose Hill Cemetery in Lamoni. Memorials may be made to Graceland University.



In Loving Memory
Although she has left us
Her light shines brightly on
her girls. She will always
be remembered in our hearts.
In Cleo Hanthorne Moon always.
Doherville House

Correction:

We at the *Graceland Tower* wish to apologize for the misspelling of Cleo M. Hanthorne Moon's name on the front page of this week's issue of the Tower. The Graceland Tower wishes to express its condolences to those who knew her well. We are deeply sorry for any added grief we may have caused and hope this error does not exacerbate the pain her family and friends are currently experiencing.

Hanthorne 'Twas the Night 2003

'Twas the night before
"'Twas the night" when all through Hanthorne house
Sara danced through the halls in her huge hot flash blouse

As soon as it's night time Brittany's breasts will go bare,
while Jen toots in her sleep without any care.

The freshman were nestled snug in their beds,
while visions of Closson men danced in Lindsay G.'s head.

In the Christmas spirit the mango club truly believes,
and discusses that it's better to give than receive.

Natasha transformed into David Lee,
And Stephanie loves Michael on T.V.

While Jamie runs off to do her Booboo,
Kacey espouses the joy of clean poo.

No clothing may be found on Lyn-say's body,
except for the socks, now that's a bit naughty.

Hanthorne's world traveler is Holly Chow,
Cassie and Janessa both take a bow.

Lindsey Smith is at the top of her class,
And Angie compliments her by yelling, "SWEET ASS".

The food in the commons is as bad as ever,
and Erin Smith says, "I'll go there never".

Jenna's playing the field in more ways than one,
Bethany gets paid to bask in the sun.

Melissa's been waiting for Finding Nemo,
Sara's the coolest "Bad Ass" that we know.

Tiffany, Aunt Fanny, always stops to say hi,
Kara knows everybody at Graceland, and that is NO lie.

Pretty in pink, lovin' blink, that's chels182
Who farts when she sits up? Oh that's Kyla Sue!

Rebecca, our beautiful bride to be
Becca works in the hive to improve GSG.

Amy is random and often yells JEEPERS!
Andi's O Chem devotion gives us the creepers.

Amanda Land is our own Dr. Phil
Amanda Sundell can't live without dill. (Pickles that is)

Erin Magee loves little piggies
When Karolyn gets tired she gets a bit Wiggie.

Heather likes to share a lot,
And Laura always says "I'm HOT".

Erica is shy but there's a lot underneath,
We all love Christa's cute little teeth.

We miss Tristi, where did she go?
Nothing bothers Megan - she goes with the flow.

At Jenni's house we had a ball,
And Elli entertained us all.

Maggie is on the top of Santa's "good girl" list,
Angela waits under mistletoe and hopes to get kissed.

Whether you're counted as naughty or nice,
Let me give you this piece of advice.

Fill your holiday season with good will and cheer
As we look forward to Hanthorne's best year.

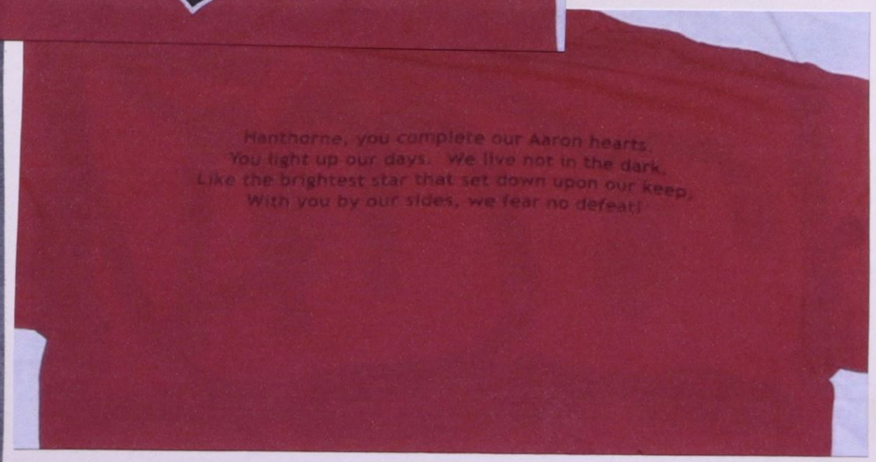
Where the sun always shines!

Hanthorne and Aaron
Homecoming 2004



Hanthorne, you complete our Aaron hearts.
You light up our days. We live not in the dark.
Like the brightest star that set down upon our keep,
With you by our sides, we fear no defeat!
